# Guidelines for International Students to Purchase Insurance in China

Step One: Open Wechat and Scan the QR code

Step Two: Enter your passport number and verification code

**Note:** If you cannot login in, please contact Mr. Xiong (wechat number: xiongxiong9000224) and send him your passport number.
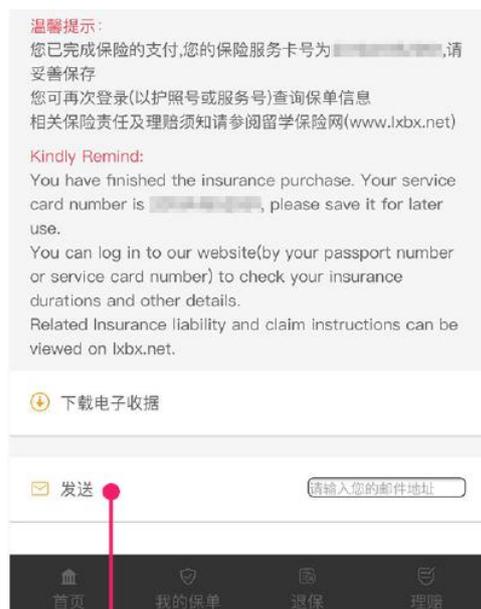

Step Three: Click buy insurance

Step Four: Choose the product and Premium same as the picture

Step Five: By checking the box, I acknowledge all the conditions, then clicking to continue, before you pay, please confirm the insurance period to purchase.

Step Six: send your purchase receipt by filling out email address

**Problem statement:** If a student don't know how to use Wechat or do not have any money on Wechat, student can ask their friend or other people to help with the purchase, the process of buying is same as above.
